AUGUST 2011

Club Meeting

August 8 - 7:00pm

Board meeting at 6:30pm

Paul & Jane Moody Residence • 1918 S. 57th Street

RALLY & BEGINNER NOVICE CLASS

Rally is at 7:00 on Thursdays. If there are enough interested Christi will also run people through Beginner Novice after Rally.

For those not familiar with it yet, Beginner Novice is a new obedience class & title from AKC. It consists of a heeling pattern made of rally signs, figure 8 like traditional obedience, sit for exam on lead, sit stay on lead with handler walking around the ring, and a short off lead recall without a finish. Handlers are encouraged to praise their dogs once on the heeling, once on the figure 8 and once on the recall. Since it IS an obedience class, any dog earning this title will have to show in the Rally B classes. It is designed to be a bridge between rally where you can talk to your dog and traditional obedience. It is a nice class for green dogs as well as green handlers. If interested in either class please contact Christi at 1983cgreen@gmail.com.

THANK YOU

Thank you Jan Liesen from the Lewis County 4-H dog care project for judging our show this year. We have a 4-H Open Show in Lewis County and Jan did a great job teaching as well as judging with the kids. We appreciate the support of Quincy Kennel Club and their members. -Bev

BRAGS

AKC & International Champion Moody's Master Plan - Blaze, a black and white American Cocker Spaniel, bred and owned by Paul and Jane Moody. He completed his International title in June, 2011. The valued AKC title was

completed at only 9 months of age with all wins from Bred-By-Exhibitor class except the first win which was from puppy class. It is hard to believe he is already 4 years old now!

AKC & International Champion Moody's Monarch - Solo, a red and white American Cocker Spaniel, bred and owned by Paul and Jane Moody. He completed his International title in June, 2011. The valued AKC title was completed September, 2010 with all wins from Bred-By-Exhibitor class. - Jane M.

The Brittanys, Sparky and Molly, have been to several agility trials already this year with some success.

Sparky has gotten 5 qualifying scores in Jumper With Weaves and 1 qualifying score in Standard Agility. He ran in trials at St. Charles, IL; Glen Carbon, IL; Crystal Lake, IL; Naperville, IL; Davenport, IA; and Purina Farms, MO. He came home from several trials without qualifying too. He now has a total of 9 out of the 10 needed for his Master's Excellent Jumper With Weaves Title. However he has only 4 of the 10 Standard scores for the Masters Agility Title. This will take awhile!!

Molly started with a qualifying score in Jumper With Weaves at the St.Charles trial and got a second qualifying score last weekend in Davenport, IA. She went along to most of the other trials but either did not qualify or did not run as I thought she was pregnant. She desperately needs one more Q score in Standard Agility to finish her Excellent Agility Title. We have been trying to get this since last fall. -Jane H.

NDR: Clayton Liesen made the Dean's List for the Spring 2011 semester at Quincy University. -Jan
