

Laura Hampsmire

Laura Hampsmire assists with the Puppy class and has done so for 2 ½ years. She first started training with her own dog nine years ago and has achieved a CGC title and OAJ and OA titles in Agility. She currently owns a Pembroke Welsh Corgi and a German Shepherd. Her greatest challenge in training her own dog has been keeping him in a down-stay. Laura enjoys cooking/baking, reading, and crafts. Laura feels the most rewarding aspect of teaching is seeing the progress owners make with their puppies in just a few weeks.
