

Susan East

Susan East teaches beginner obedience and coaches the Demo Dogs drill team. She has taught at our club for only 8 months, but has trained dogs for the last 60 years, both in the United States and overseas. She has trained guide dogs for the blind, security and personal protection dogs, as well as family pets. She currently owns a Labrador Retriever, and in the past has owned a German Shepherd, Doberman Pinscher, German Shorthaired Pointer, Weimaraner, Dachshund, and an Akita. She has trained her dogs to CDX, CGCA, and CGCU titles. Her favorite thing about teaching is seeing the moment when students and their dogs finally start working together as a team. In her spare time, Susan enjoys writing.
