THE BRAG BOARD

It looks like we are bragging because we are!

JACKIE WYANDT'S SPIRIT (YELLOWSNOW MALAMUTES STARDUST FAIRY BN-V CD-V RE TKE VHMA) HAS ATTAINED THE CD-V TITLE.

Carolyn Williams' Xena got her second leg in an Open FAST agility run and came in third at a recent trial.

Neesha Elkin and Myron McCord's Cane Corso Saphira (left) has achieved the POA title (puppy of achievement in conformation) at just 9 months old. They have owned her only 2.5 months. She also has 7 Championship points already.

Their other Cane Corso Phoenix (right) obtained the NOHS Silver Champion level. She is the first ever female Cane Corso to achieve this level. Phoenix also earned an Owner-Handled Group 2 and two Owner-Handled Group 4's in two weekends of showing.

For inclusion in the newsletter, please send your brags to Joe Coelho (secretary@quincykennelclub.com).

Wall of Fame Update

QKC's Wall of Fame, the array of photos on the east wall, is undergoing minor improvements. Business-card-sized placards are being made for each photo to produce a more uniform and professional look.

Phase one is done.

Some photos remain unlabeled, often because there was no label to start with.

If one or more of these is yours, please send the information about your dogs to Joe Coelho (secretary@quincykennelclub.com). Be sure to include the dog's call name, registered name with titles, and owners' names. As dogs earn more titles, the information can be forwarded to the club secretary for periodic updates.

Later, the images of dogs who are now deceased will be moved to a section entitled Rainbow Bridge.

Grace earns MACH

Lori Dunn's Australian Shepherd Grace recently earned the Master Agility Champion (MACH) title.

The MACH title is very difficult to achieve, requiring 20 double Qs (qualifying runs in both standard and jumpers course on the same day) and 750 points to attain.

Grace is believed to be the first dog out of QKC to have achieved the title, though they now train at various facilities in the region. Grace also holds a number of other performance titles.

Congratulations to Lori Dunn and MACH Cedarwood's Moving Forward with Grace MX MXB MXJ MJG MXF T2B2 DS TKI.

LORI DUNN AND GRACE

Dale Peeters and Hal & Hollis Axelrod were elected to membership at the June meeting. Welcome!

Dates for two upcoming events were announced at the last meeting. CGC and CGCA tests will be held on August 27th. ACT and ACTJ trials will be held September 10th.

Breed does not determine personality.
